An important part of the mission is making the cost of optimal care as easy and manageable for our patients as possible by offering several payment options.

NO INTEREST Payment Plans from **CareCredit** are available which:

- Allows you to pay over time with NO INTEREST
- Has convenient, low monthly payment plans available
- Has **no** annual fees or pre-payment penalties

Please note:

For patients with dental insurance we are happy to work with your carrier to maximize your benefits and directly bill them for reimbursement for your treatment. For patients who have insurance that reimburses the patient directly we ask that you pay at time of visit but we will still file your insurance for you. *Please remember that your contract is between you and your insurance company and if your insurance company refuses payment for any reason you are ultimately responsible for your bill. If you have questions about your benefits each insurance company has a phone number and website you can access to find out about your benefits, or you can consult your handbook. We do not have the manpower to handle inquiries about benefits. We can and will do predeterminations if they are requested.*

* We do ask that you bring your insurance information to each visit. If we have to refile insurance due to lack of current information there will be a \$10 charge.

There will be a \$25 charge for returned checks.

Cancellation Policy:

Due to the number of cancellations and no shows we want to make sure you understand our cancellation policy.

There will be a \$25 charge for cancellations with the hygienist with less than **twenty-four (24)** hours notice.

There will be a \$50 charge for cancellations with Dr. Saunders with less than **twenty-four (24)** hours notice. On crown and bridge appointments there must be a **forty-eight (48)** hour notice due to the length of the appointment.

If you have any questions, please do not hesitate to ask. We are here to help you get the Dentistry you want or need.
